BIO

-I am a 4th year student at University of Khartoum, department of Electrical and Electronic Engineering.

- Extremely motivated to constantly develop my skills and grow professionally.

- I'm interested in Artificial Intelligence and I want to be a role model in this field for Sudanese Generation .

-I am also interested in web development and data analytics

EXPERIENCE

Freelance front end web developer

JUN 2019 -

-I have worked on Data Analysis projects that included analysis of data, cleaning of data and visualization of data.

-Also i've worked on numerous web development projects that included the practice of HTML, CSS and JavaScript for websites and Web Applications

EDUCATION

El_ETISAM SECONDARY SCHOOL — SHSC Certificate

2013 – 2016

University of Khartoum —Electrical and Electronic

Engineering BSc

2016 – ongoing

SKILLS

-Python(Pandas–Numpy–

Matplotlib –seaborn–Sklearn)

-MS Excel

-java , C , C++ ,Flutter

-HTML5, CSS3 AND JS

-Bootstrap , react

AWARDS, COURSES AND CERTIFICATES

-S U D A N
SECONDARY SCHOOL
C E R T I F I C A T E 96.1%– the 7th
of the 2 0 1 6
Y E A R

✓ Python for machine learning and data science bootcamp –Udemy

✓ Machine learning – coursera.

✓ Deep learning specialization – coursera.

✓ Google data Analytics – coursera

✓ Deep Learning _ Geoffrey Hinton _ UofT - Youtube

-Full stack web development and web applications course : presented by Afrotech organization

- Machine learning API track on Qwiklabs –provided by GDSC

- The Complete Web Development Bootcamp course -Udemy

Activities

EEESE:

The Electrical and Electronic Engineering Student

Exhibition: organizer and participant.

–EEESE 2017: presenting a project: A firefighter robot made to detect fire by means of flame sensors, going toward it and put the fire off by water. It can also avoid obstacles while going toward fire by means of Ultrasonic sensors.

–EEESE 2018: Member of academic committee:

Tasks:

selecting projects ideas, assigning participants to projects, providing components for participants.

Indaba X –Sudan 2021 : Organizer – volunteer

LANGUAGES

English (Fluent)

Arabic (Native)
